PROFESSIONAL SUMMARY

SAP Datasphere professional with 1 year of hands-on internship experience in data integration and modelling. Skilled in SAP Datasphere and SAP Analytics Cloud (SAC), with hands-on exposure to CDS View replication, Replication Flows, Data Flows, Remote Tables, Graphical Views, Fact and Dimension modelling, and Analytical Models. Experienced in gathering business requirements and supporting data integration and reporting activities.

TECHNICAL SKILLS

- SAP Datasphere, SAP Analytics Cloud (SAC)
- Replication Flows, Data Flows, Transformation Flows
- Graphical Views, Remote Tables, CDS Views
- Fact and Dimension Modelling, Analytical Models
- Data Integration, Data Modelling

PROJECT EXPERIENCE

SAP Datasphere Intern — *Client: Dole*

- Analyzed and understood business requirements in collaboration with the SPOC (Single Point of Contact).
- Worked with standard and custom CDS Views, gaining hands-on exposure to replicating CDS data into SAP Datasphere.
- Used Replication Flows to replicate required data into SAP Datasphere.
- Created Data Flows using ABAP source tables based on business requirements.
- Used Remote Tables to access required source data within SAP Datasphere.
- Developed Graphical Views, including relational datasets, Dimension Views, and Fact Views.
- Applied Fact and Dimension modelling concepts to organize data for analytical reporting requirements.
- Built Analytical Models in SAP Datasphere to support SAP Analytics Cloud (SAC) reporting.
- Troubleshoot data integration issues, including data type mismatch issues.

EDUCATION

B.Tech, Electronics & Communication Engineering

Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology | CGPA: 7.49/10 | 2021 - 2025

Intermediate (MPC)

Impulse Junior College | 82% | 2019 - 2021

SSC

Excellent Star High School | 88% | 2019

STRENGTHS

- Analytical Thinking
- Problem Solving
- Quick Learner
- Team Collaboration
- Communication Skills
- Attention to Detail
- Adaptability
